The Hong Kong Neurological Society

Hong Kong Stroke Society

The Hong Kong Society of
Neuromuscular Diseases

Webinar

33rd Annual Scientific Meeting of The Hong Kong Neurological Society

14 - 15 November 2020, 8:00 - 16:50 (Hong Kong Local Time, GMT + 8 hours)

Day 1 - 14 November 2020 (Saturday)

Time	Session	Speakers and Topics
8:00 – 8:10		Platform ready for log-in
8:10 – 8:45	Movement Disorders Symposium 1	Prof Anthony Lang (Canada) <i>Clinical trials targeting alpha-Synuclein</i>
8:45 – 9:30	Dissertation Highlights	1. Dr Chris Chau (HK) <i>A Retrospective Study of Stroke in Young Adults in Chinese Population in a local tertiary Centre</i> 2. Dr PK Cheung (HK) <i>Factors Predicting Favorable Outcome for Mechanical Thrombectomy in Acute Ischemic Stroke Patients</i> 3. Dr Gene Gao (HK) <i>Clinical, Morphological and Genetic Studies of a Cohort of Hong Kong Chinese Patients with a Novel Pathogenic FLNC Nonsense Mutation</i> 4. Dr Christina Ho (HK) <i>Clinical Presentation and Course of Patients with Motor Neuron Disease – A Tertiary Centre Experience in Hong Kong</i>
9:30 – 10:00		Break
10:00 – 11:30	Education Session	Dr SH Ng (HK) <i>Clinical Approach of Weakness</i>
11:30 – 11:45	Opening Ceremony	Guest of Honor: Dr Tony Ko, Chief Executive, The Hospital Authority, Hong Kong
11:45 – 12:45	Boehringer Ingelheim Stroke Symposium	Prof Ken Butcher (Australia) <i>Stroke prevention in neurological perspective: what should we consider?</i>
12:45 – 13:45		Free Paper Presentation
13:45 – 14:45	Movement Disorders Symposium 2	1. Dr Michael Lee (HK) <i>Deep Brain Stimulation surgery for movement disorders other than Parkinson's Disease</i> 2. Prof K. Ray Chaudhuri (UK) <i>Personalized medicine of Parkinson's disease in 2020</i>
14:45 – 15:00		Break
15:00 – 16:30	UCB Epilepsy Symposium	1. Dr Manuel Toledo (Spain) <i>How do the real world evidence of anti-epileptic drugs benefit to the clinical practices of epilepsy patients?</i> 2. Prof Torbjörn Tomson (Sweden) <i>Tetratogenicity of Anti-epileptic drugs</i>

Day 2 - 15 November 2020 (Sunday)

Time	Session	Speakers and Topics
8:00 – 8:15		Platform ready for log-in
8:15 – 9:15	Neuro-degenerative Disease Symposium	Prof Lorne Zinman (Canada) <i>Updates in management of ALS and future directions</i>
9:15 – 11:00	Neuromuscular Disease Symposium (Co-organized with HKSND)	1. Prof Andrew Mammen (USA) (i) <i>The role of serology in the modern era of myositis</i> (ii) <i>Diagnosis, treatment and pathogenesis of immune-mediated necrotizing myopathy</i> 2. Dr Sophelia Chan (HK) <i>Spinal muscular atrophy: new treatment and challenge</i>
11:15 – 12:15	Stroke Symposium (Co-organized with HKSS)	Prof Greg Albers (USA) <i>The clinical application of the RAPID software</i>
12:15 – 12:30		Break
12:30 – 13:15	Novartis Migraine Symposium	Dr King Hee Ho (Singapore) <i>The CGRP-based monoclonal antibodies in migraine management: a review and the Singapore experience</i>
13:15 – 14:00	Astra Zeneca Stroke Symposium	Prof Lawrence Wong (HK) <i>Secondary prevention with potent P2Y12 inhibitor in minor acute ischemic stroke or high-risk transient ischemic attack</i>
14:00 – 15:00	Daiichi Sankyo Stroke Symposium	1. Prof Hans-Christoph Diener (Germany) <i>Cerebrovascular Risk Management and Anticoagulation – Scientific Evidence and Clinical Decision on NOACs</i> 2. Dr Yannie Soo (HK) <i>The clinical practice on NOACs: the local experience</i>
15:00 – 15:15		Break
15:15 – 16:45	Biogen Hereditary Neurological Diseases Symposium	1. Prof Tim Hagenacker (Germany) <i>Management of adult patients with Spinal Muscular Atrophy</i> 2. Dr Hencher Lee (HK), Dr Shun Wong (HK) <i>FLNC-related myofibrillar myopathy in Hong Kong – histopathology and genetics</i>
16:45 – 16:50		Closing Ceremony

Pre-conference Epilepsy Workshop

Date: 13 November 2020 (Friday)

Time: 21:00 - 24:00 (HKT, GMT + 8)

Format: Webinar

Theme: Epilepsy management in special groups with illustrative cases

1. Prof Torbjörn Tomson (Sweden)

Case sharing: Epilepsy management of women with child bearing age

2. Dr Eva Fung (HK)

Paediatric Epilepsies into Adulthood

3. Dr Manuel Toledo (Spain)

AED selection in patients with systemic comorbidities

Post-conference RAPID Workshop

Date: 17 November 2020 (Tuesday)

Time: 22:00 - 24:00 (HKT, GMT + 8)

Format: Webinar

Dr Greg Albers (USA)

Case sharing and application of the RAPID software

Abstract Submission:

Deadline 31 Oct 2020

(Online submission is available at www.hkns.org)
